## SUMMARY

Experienced carpenter with over 15 years in the construction industry. Skilled in all aspects of carpentry, including framing, finishing, and remodeling. Strong attention to detail and ability to work well in a team environment.

## SKILLS

### Languages

**English: A1   Fransh: C1   Spanish: B1**

I am thrilled to embark on the journey of learning English. My goal is to reach fluency within the next year 2024 to better serve my clients and colleagues. Thank you for your understanding and support.

### Measuring and cutting

Experience in measuring and marking wood with precision, and in using manual and electric tools to cut wood accurately.

### Technical skills

Ability to handle electric and mechanical woodworking tools with precision and a solid understanding of cutting and finishing techniques.

### Assembly

Experience in assembling different pieces of wood using a variety of joint techniques to achieve a solid and safe structure.

### Creativity and design

Creativity and design skills to create unique and attractive furniture and carpentry objects, using a variety of techniques and styles.

### Finishing techniques

Knowledge in applying various finishing techniques to wood, including sanding, varnishing, painting and more, to achieve an attractive and durable finish in carpentry projects.

## Work Experience

### Company Name

### Job responsibilities

Fabrication dressing cuisine

2019-2022 Carpentry manager: My main role was to oversee and direct all operations of the company, from design and planning to construction and project delivery. I was responsible for setting and achieving company goals and objectives, ensuring deadlines and quality standards were met.

MDM Hasnaoui

2012-2019 Lead Carpenter: Leading a team of carpenters and overseeing carpentry projects.

Nadjar wood

2007-2011 Carpenter: Performing carpentry tasks independently under the supervision of a foreman or supervisor.

Eurl dz confort meubles

2004-2006 Apprentice Carpenter: Performing simple tasks under the supervision of experienced carpenters, and continuing training.

## Additional Experience

Throughout my career as a carpenter, I have acquired valuable skills in the construction and design of wooden structures. However, I have also had the opportunity to expand my business skills by creating and managing a small food supermarket and a fruit and vegetable store. This experience has given me the

## Education & Certifications

GCSE	2001 - 2004	Algeria Shcool Segundary
